

## Digital Diplomacy: Tell the Story of U.S. Foreign Assistance!

Project Title	Digital Diplomacy: Tell the Story of U.S. Foreign Assistance!
Project Summary	Love diplomacy & design? Create infographics and write tweets to communicate the importance of U.S. Government foreign assistance around the world.
Country	United States
Agency	Department of State
DoS Office	F
Post	N/A
Section	N/A
Number of Interns	2

## Project Description

Calling all digital diplomats! The Department of State is looking for motivated and digitally savvy interns to tell the story of U.S. foreign assistance and spread the word about [ForeignAssistance.gov](http://ForeignAssistance.gov), the U.S. Government's aid transparency data portal. Be prepared to tap into your creative side to design visually appealing graphics and write tweets that help the general public better understand U.S. foreign assistance investments. You will also craft messages that convey the power of aid transparency to help governments and donors manage aid, empower citizens to hold government accountable, and support data-driven development.

## Desired Skills Interests

## Additional Information

We're looking for someone with an interest in foreign assistance and Twitter, plus an eye for design. While experience with Photoshop or other design tools is appreciated, it is certainly not required. Visit [ForeignAssistance.gov](http://ForeignAssistance.gov) or drop by on Twitter ([@ForeignAsst\\_gov](https://twitter.com/ForeignAsst_gov)) to learn more about us!

# Language Requirements

*None*
